

Mobilize your content today and make your job easier.

LitBoard gives sales, marketing and compliance professionals a better way to access, upload and share literature, product kits, audio and video files, sales presentations and more.

LitBoard aligns the responsibilities of marketing, sales and compliance by providing a tile interface that supports messaging, suitability and transparency.

Now, your wholesalers and distribution partners can have the latest content at their fingertips whether in the office, at home or on the road.

Absolutely Anywhere.

- Search instantly across your entire content library and deliver targeted messaging
- Download PDFs to local Apps and view videos full screen
- Ensure a current content library with standard Document Watch Lists
- Customize LitBoard with your company's branding guidelines to make it your own!
